E. Mitchell Roob Jr., Secretary

March 14, 2008

To: All DMHA Contracted Providers

From: John Viernes Jr., Deputy Director
Office of Addictions and Emergency Services

RE: ATR/HAP Policy

The question below regarding HAP-registered clients was forwarded to DMHA for clarification. The clarification below is considered policy guidance for all HAP providers who have clients with ATR participation.

Question: Are HAP registered clients eligible for ATR clinical treatment services?

Response: HAP Providers are reminded that they are required to register eligible clients who present to them for treatment services. HAP registered clients are eligible for recovery support services only. They are not eligible for clinical treatment services under ATR unless no other funding is available to provide clinical treatment. Clients not registered by a DMHA contracted provider are eligible for clinical treatment and recovery support services.

If you have need for further clarification please contact Eric Scott at (317)234-5555 or email at Eric.Scott@fssa.in.gov.

Thank You,

John Viernes Jr., Deputy Director
Indiana Division of Mental Health & Addiction
